Selecting 1st year students for study tracks

- **Final decisions** are made during the Winter School
- Students are selected taking into account
 - Your preference
 - Weighted average grade of compulsory courses obtained during the first semester at Tartu
 - Possibly interview during Winter school
 - (Original motivation letter, knowledge of local language)

Aspects for you to take into account in stating study track preferences

- **Research fields** in II year universities
- **Competition** for the II year universities
 - Your grades
- **Practicalities** in the respective country (cost of living, etc)
- Your **language** skills and what language you have studied at Tartu
 - France vs Finland/Sweden

We wish you successful Winter school!
